

APPLICATION FORMS

- **Forms for affidavit, application-affidavit**

For the purpose of simplifying the administrative processes the Ministry for the Interior, Public Administration and Decentralization established a new form and content for the affidavit (solemn declaration) under law 1599/1986.

The Ministry has also established an application form incorporating the affidavit for cases in which citizens make a request to a public service for the satisfaction of which the submission of an affidavit is required.

The said forms and the relevant administrative information are available at the website of the General Secretariat of Public Administration of the Ministry for the Interior, Public Administration and Decentralization (www.gspa.gr).

- Affidavit (article 8 of Law 1599/1986)
- Application-Affidavit (article 8 of Law 1599/1986 and article 3, para.3, of Law 2690/1999).

- **Application Forms of the Ministry of Justice**

- Penal records application form
- Application form to be used in application of the convention on the custody of children (The Luxembourg Convention 1980)
- Application form to be used in application of the convention on the abduction of children (The Hague Convention 1980)
- Application form for the return of a deported alien
- Application form for official pardon

The above application forms may be found at the Ministry of Justice website under «Application Forms» (Εντυπα Αιτήσεων).
